

INTERNATIONAL POSTER CONTEST
RESULTS AND PRESS RELEASE

"TO DEATH WITH A SMILE" 2017 - 2018

*"Some of us think, you can smile to death,
because we feel we have lived a good life and is time to go,
many smile at the idea of crossing over to eternal life,
others to the possibility of reincarnating once again,
some smile to comfort the ones they left behind,
the fearless smile defying death,
several smile with indifference because they deal with death on daily bases,
others worship death devotedly,
most of us fear death,
but we all have it present in our minds."*

Alvaro Rego (2004)
